

A MESSAGE FROM H&I

Greetings from the South Bay Hospitals and Institutions Committee of Alcoholics Anonymous!

It is our pleasure to inform you that throughout this unprecedented time in history, your H&I committee has been going strong! We hold our business meeting every third Tuesday of the month on Zoom and bring literature and Zoom panels to treatment facilities and hospitals across the South Bay every week. Since many meetings no longer meet in person, access to Zoom panels has become more pertinent than ever for our recovering fellows in treatment.

That's where you come in! We need your help covering the demand for these panels as our H&I membership has seen recent declines. Today, there is a small group of people with multiple commitments or commitments that are not being filled. Imagine being able to be of service without ever leaving the comfort of your couch! Your message can plant the seed of AA in a struggling alcoholic today!

Please join us for our next monthly business meeting to get a commitment to lead, chair, or speak on a panel:
